

The background is a deep blue gradient with a starry space texture. On the left side, there are several overlapping circular elements. These include solid white circles, dashed white circles, and concentric circles with tick marks, resembling a compass or a circular scale. Some of these circles have small white arrows indicating a clockwise direction. The overall aesthetic is technical and futuristic.

WHY CI/CD PIPELINES?

BENEFITS OF CI/CD PIPELINES FOR SOFTWARE AUTOMATION

1

Less time to market → increase revenue

2

Less production bugs → avoid cost

3

Less human errors → avoid cost

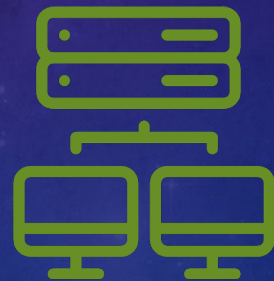

4

Generate new features quickly → increase revenue

5

Less infrastructure costs → reduce cost

THANK YOU!
